Purchaser's Declaration

It is clearly understood that this payment is undertaken at the sender's risk and that Western Union and/or their subsidiary companies and / or their Agents accept no liability whatever for any delay, mistake or omission which may occur in its transmission, or misinterpretation when received, or failure to identify the payee. In sending telegraphic transfers, Western Union uses connecting banks around the world to forward and process payments. The majority of overseas banks levy other processing charges which vary between banks/countries. If these charges are deducted from the transmitted funds this will result in the beneficiary receiving a lesser amount than transmitted.

I/we acknowledge having read and understood these conditions.
